Vendors comments "We bought the property in December 2017 and have been very happy with the house. Since then our family has grown and we are looking for somewhere that more suitably fits our family's needs.

Our neighbours on both sides have been there significantly longer than us and have been very friendly. We also have some wonderful neighbours over the road too and consider we've been very lucky.

To get to work we either use the bus, tube (Piccadilly line), Overground or when need the Train from Alexandra Palace. All are easy to get to. There are also good links to the North Circular or A1 by car too.

There is a very good secondary school a few minutes walk away which has performed well in inspections and several good primary schools within easy reaching distance. We walk our son to nursery in the morning too.

This has been a wonderful home for us and we hope it will be a wonderful home for the next people too."
